MY DECLARATION FOR KEKAHA'S CHILDREN:

For the sake of our children and future generations, I want better environmental standards applied to the Kekaha Sugar Mill and Proposed Generator site.

If those sites are developed in any way, IT HAS TO BE DONE RIGHT AND RESPONSIBLY. ***Our children are at risk.***

The sites should not be evaluated as
GENERAL INDUSTRIAL
4 elementary schools, including 2 Hawaiian schools, a senior home, playgrounds, and a pre-school are very near the site. One school borders the contaminated Mill Ditch.
Houses surround the site.
